Living elsewhere in the U.S. or the world (or traveling from Indianapolis), Year 1

Assumes 18 credit hours/year.

Possible to make 4 trips/year on this path & finish in 4 years.

In the second semester, you may choose two of five possible Week-long Intensive Courses (including Immersion Courses in cities other than Indianapolis) plus one Independent Study or another course.

This pathway is an example of how scheduling might work best for an MDiv student. Such flexible scheduling options are available to all students pursuing CTS degrees.
