CMHC Individual Supervision Evaluation Form • Supervisee: _____

Please rate the intern on each of the following items based on the scale below:

5 = Expert: Very strong in this area with all clients. This comes naturally.

4 = Master: Generally strong in this area, though it may be more difficult with some clients.

3 = Proficient: Generally competent in this area, but continues to work on this skill.

2 = Apprentice: Inconsistent in this area – sometimes does well, and sometimes this is a weakness; continues to work on this skill.

1 =Novice: This is a weakness; continues to work on this skill.

NA = Cannot be assessed at this time. (*Please describe why not on the reverse side of this page.)

	NA*	Novice	Apprentice	Proficient	Master	Expert	CACREP Area
1. Maintains ethical practice, understands professional issues relevant to the practice of mental health counseling, and develops appropriate self-care strategies.	NA	1	2	3	4	5	II.G.1d, 1j, 7g, 8f <u>CMHC A2</u> , <u>A7</u> , <u>B1, C9</u> (see also Professional Skills Evaluation)
2. Facilitates the development of the therapeutic alliance using essential interviewing and counseling skills and provides a safe environment.	NA	1	2	3	4	5	<u>II.G.5a, 5f</u> <u>CMHC A1, B1</u>
